

AS I AM

The words I sing
are an expression
of the life that You've given
In this moment, I will offer up
These songs from a faith-filled heart

I come as I am –
for You know all there is to know
You love the way I am
so much the You would sacrifice Your son

Father I sing – I'm overflowing
all I want, is to draw close.
May a fresh song start rising
from this soul that You made.

I come as I am –
for You know all there is to know
You love the way I am
so much the You would sacrifice Your son
I come as I am, as I am, as I am!

(bridge)
Come as You are
For He knows all there is to know.
He loves the way You are.
So much that He would sacrifice His son.

EVERYTHING

Whatever I do, wherever I am
If life is sailing, or if I'm bailing out the water.
I'll keep trusting You. I will praise You.
For all you've done and are yet to do.

You are all I need.
Everything.
(repeat)

I'm lifting up my head to the one who saved me –
The King of glory.
I'll be strong and courageous – for You are with me
Your grace is enough for me.

You are all I need.
Everything.
(repeat)

(bridge)
It's a call to faith.
I'm learning to trust You now.
You remain the same.
It's a call to faith.
I'm learning to trust You now.
You remain the same –
Always loving me.
Always loving me.
Always loving me.

DRESS TO WEAR

A King on His throne
You made the whole universe.
Yet you stepped down
And lived as one of us.
(repeat)

You welcomed me in
And gave me a dress to wear
You opened Your arms
And called me a princess
You welcomed me in
And gave me a dress to wear
A dress of righteousness.

There on the cross
You showed your love for us
By giving Your blood
And taking the pain for us
(repeat)

You welcomed me in
And gave me a dress to wear
You opened Your arms
And called me a princess
You welcomed me in
And gave me a dress to wear
A dress of righteousness.

(Bridge)
Lord open the gates
And pour out Your glory now
You've won our whole hearts
You're the King, You're the King

HEBREWS FOUR

Today, if you hear His voice,
Do not harden your hearts.
Do not harden your hearts.
His word is living.
Sharper than a double-edged sword,
It will penetrate your soul.
It will penetrate your soul.

Tempted in every way –
He knows you.
Yet He still remains the same –
Always loving you.

Let us then approach
His throne of grace
With confidence
He has washed away
All your sin and shame
With His amazing love.

Nothing in all creation
Is hidden from God's sight.
Is hidden from God's sight.
Let us hold firmly to the faith
To the faith we profess
To the faith we profess.

Tempted in every way –
He knows you.
Yet He still remains the same –
Always loving you.

Let us then approach
His throne of grace
With confidence
He has washed away
All your sin and shame
With His amazing love.
(repeat)

STORM

Why oh why is this happening?
All that seemed so certain is shaking.
Jesus all I have is You.
You're unchanging. I can trust You.

In the storm, You are there –
You are watching.
In deep waters, when we're helpless –
You surround us.

Torn in two, I feel torn in two.
But there's only one way – Lord it's You.
You will not forget my dreams.
They're welling up inside of me – because You planted them there.

In the storm, You are there –
You are watching.
In deep waters, when we're helpless –
You surround us.
You surround us.
You surround us.
You're surrounding us.

NEWQUAY

You're gone for the moment
But you're coming home
Before I know it you'll be next to me
I'm thinking and listening, not talking yet.
But come tomorrow I will share again.

Come home soon
I need you here.
Come home soon
I need you here.

I wonder what you're doing
If you're having fun
Capturing life as it comes to you.
I'm home, but it's empty
It's just a shell.
But soon you'll be here bringing life again.

Come home soon
I need you here.
Come home soon
I need you here.
I need you here.

Instrumental.

Come home soon
I need you here.
Come home soon
I need you here.
I need you here.

HOPE OF THE WORLD

May I be like a flame in the darkest of places.
May I be like a lighthouse that's
drawing the ships to the shore.

I'm crying out to You.
I'm crying out to You.

Come and send Your power Lord Jesus.
Come and heal the broken hearted.
Save those who are lost and searching.
We long to see Your glory here.
We long to see Your glory here.

I am trusting You now
With this life You have given to me.
Come and take Your place.
Let my life bring You glory.

I'm crying out to You.
I'm crying out to You.

So come and send Your power Lord Jesus.
Come and heal the broken hearted.
Save those who are lost and searching.
We want to see Your glory here.
Fill us with Your light Lord Jesus.
Fill us with Your hope and joy.
Come and send Your Holy Spirit.
We want to see Your glory here.
We long to see Your glory here

(bridge)

You are the hope of the world.
You are the hope of the world,
Of the world.
You're the hope of the world.
Of the world, of the world
You're the hope of the world!

ETERNITY

My eyes are on the prize.
Sure hope, I have sure hope.

Rejoice, I rejoice,
In the Holy One
In the Holy One.

I fix my eyes
Not on things I see
I fix my eyes
On the unseen.

This life can be tough sometimes.
I chose to hold firm to this sure hope.

Changing me, You are changing me.
From the inside out
From the inside out.

I fix my eyes
Not on things I see
I fix my eyes
On eternity.
I fix my eyes
Not on things I see
I fix my eyes
On Him who died for me
Him who died for me

(bridge)
Our troubles here
Are momentary
They're achieving our
Eternal glory
Eternal glory
Glory

I NEED YOU

Lord, I need You lord.
I've been living my life as if
Life is more important than You.
Lord, I need You Lord.
I've been living each day and forgetting
You are the creator.

I need, I need You!
(repeat)

Give me wisdom Lord.
That I won't shut You out
When I need You the most.
Lord, give me wisdom Lord
In this time of change.
Father You are my life!
I've got things so mixed up.
Restore the vision I had.
I long to see You Lord.

I need, I need You!
(repeat x2)

LYNDON'S SONG

I find myself here.
Travelling.
We had to go,
But You came with us.
I can see, You are sovereign
In it all.
We're imperfect, but You're perfect.
You accept us.

I put my hands in Yours, Lord
I'm letting go of control.
Lead me, show me, guide me.
I am Yours – I'm letting go.

I'm going to chose You.
To put my hope in.
Not looking right or left,
But to You.
I'm not satisfied.
Take me deeper.
None of my plans, only Your plans –
I surrender.

I put my hands in Yours, Lord
I'm letting go of control.
Lead me, show me, guide me.
I am Yours – I'm letting go.
I'm letting go.

Instrumental.

I put my hands in Yours, Lord
I'm letting go of control.
Lead me, show me, guide me.
I am Yours – I'm letting go.

PROMISES

You know me better than I do
I'm not who I think I am.
You made me as You want me.
I'm beautiful to You.

So much has happened, I'm feeling tired.
I am so weak alone.
But You're with me – that's a promise.
I am so strong in You.

Nothing can separate me
From Your perfect love oh God.
I'm fighting off all the lies –
With Your promises.

Unlock me to show me
All You have put inside.
I am sold out completely for You.
Use me Lord!

Nothing can separate me
From Your perfect love oh God.
I'm fighting off all the lies –
With Your promises.
With Your promises.

(bridge)
You have a plan for me,
That is good, and will bring me hope.
You're growing and stretching me
So I can bring You glory.

Nothing can separate me
From Your perfect love oh God.
I'm fighting off all the lies –
With Your promises.
With Your promises.

WHO IS HE?

Lift up your heads
Oh you gates
Be lifted up
You ancient doors.
That the King of glory may come in
That the King of glory may come in.

Who is He?
Who is this?
This King of glory?

The whole earth
Belongs to Him
He made it all
He made it all.
We bow down in awe of Him.
We worship and adore Him.

How could it be –
He died to save me?
This King of Glory!
How great is He!
So strong so mighty
The King of glory.

Then sings my soul
My saviour God to thee
How great thou art
How great thou art
(repeat)

How great You are!
The king of glory!

(How Great thou art by Stuart K. Hine was used with permission from the MCPS)
